

**An onchain rating platform
enabling truth-verified data
for location quality.**

Introducion

WELCOME TO THE NEW USER **ECONOMY**

The world is your office. We are building the trust layer for the remote work era, eliminating fake reviews forever.

Our 150m Geofencing protocol ensures 100% authentic data. Users must be physically on-site to submit a review.

Users earn verified points and simply redeem them directly at the venue to unlock exclusive discounts and free coffee.

REDEFINING THE EXPREINCE

GENERIC DATA → WORKER-FOCUSED METRICS

PLATFORM-OWNED DATA → USER-OWNED ASSETS

MANIPULATED REVIEWS → ON-CHAIN
VERIFICATION

ROBUST INFRASTRUCTURE
